Matric

ABOUT ME

I am a dedicated Software Development graduate from Walter Sisulu University, currently enhancing my skills as full-stack developer through CAPACITI learnership programme. This program has equipped me with hands-on experience in both front-end and back-end technologies, while also strengthening my professional competencies through the assistance of mentor. I am passionate about building impactful solutions, eager to learn, and grow in the tech industry.

EXPERIENCE

Feb 2025 - present

CAPACITI LEARNERSHIP PROGRAM
Software Development Associate
- Focus on creating both web and desktop applications as full-stack developer, while enhancing professional skills.
- Developed Jewellery website: Home - QUADS JEWELLERS
- Created real time Chat app (group) as part of hands-on project work: React App
